Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0261

On 09/03/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

For each of the respective years 2025, 2024, 2023, 2022 and 2021:

How many e scooters have been seized by your force?

How many e bikes have been seized by your force?

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies, and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations

Please see the response in the below table.

Year	Number of E-bikes/E-scooters seized
2023	69 seized
2024	37 seized
2025	119 seized
2026 – to date	15 seized

Due to how we record seized property, we do not separate e-bikes v e-scooters. Additionally, please note that due to a change in data recording systems, it has only been possible to provide you data from 2023 onwards.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
