Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0281

On 11/03/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am writing to request the following information under the Freedom of Information Act:

Q1. Please state the number of Failure to Appear warrants received by the force in 2025.

Q2. Please state how many Failure to Appear warrants in 2025 were for:

- a. Category A offences
- b. Category B offences
- c. Category C offences

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Following receipt of your request, a search was conducted of the Constabulary's database by our subject matter expert. Please note that Gloucestershire Constabulary is moving from one system to another and data may be tagged in a slightly different manner. The information shared below is true of today's position. In the future, data may look different because of the system change.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies, and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

In response to the questions you requested information for:

Q1) 856

Q2) Category A: 184, Category B: 653, Category C: 19.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
