Please provide the total number of offenses recorded as robbery of personal property (034/01; Theft Act 1968, s.8(1)) between 1 January 2024 and 1 January 2026.

If this exceeds the Section 12 cost limit, please advise under Section 16 on a narrower scope.

If any information is exempt, please provide the non-exempt portions and cite the specific exemption(s).

Thank you for your time and consideration.

Request 2

This is a request under the Freedom of Information Act 2000.

Please provide the total number of offenses recorded as manslaughter (003A/01; Common Law) between 1 January 2024 and 1 January 2026.

If this exceeds the Section 12 cost limit, please advise under Section 16 on a narrower scope.

If any information is exempt, please provide the non-exempt portions and cite the specific exemption(s).

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Following searches of the Constabulary's crime recording system, I can share the following information.

Request 1

929 offenses were recorded as robbery of personal property (034/01) between 1 January 2024 and 1 January 2026.

Request 2

7 offenses were recorded as manslaughter (003A/01) between 1 January 2024 and 1 January 2026.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
