Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0315

On 22/03/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

Can you please let me know how many crimes were logged where there was a racial element in the crime.

The dates are 01/01/2025 - 31/12/2025

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies, and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Following receipt of your request, a search of the Constabulary's substantiated crime database was conducted, and a filter was applied to locate those crimes tagged with a racial element in the crime. This search was conducted for 01/01/2025 – 31/12/2025.

394 crime records were retrieved.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please

note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
