On 23/03/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am writing to request information under the Freedom of Information Act 2000. I am seeking updated figures relating to registered sex offenders, following data previously obtained by BBC news via FOI requests that were reported on in March 2023 (<https://www.bbc.co.uk/news/uk-64624921>).

I would like to request the most recent available data between 2021 to present on:

The number of registered sex offenders recorded as:

- Missing, or
- Wanted for arrest

The number of registered sex offenders who have:

- Notified police of a name change or alias

The number of offences relating to:

- Breaches of notification requirements

If possible, please provide:

- Annual figures broken down by year
- Data in the same format/categories as previously supplied in response to FOI requests used in the BBC report

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

I can confirm that there are 2 RSOs managed by Gloucestershire Constabulary that are classed as wanted for arrest. 20 RSOs have notified Gloucestershire Constabulary of a name change or alias. Gloucestershire Constabulary has no information held on court data regarding breaches of notification requirements.
