Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0346

On 01/04/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

Can you please provide the number of misconduct or disciplinary cases involving police officers, where the allegation or finding included failure to display identification or properly wear mandatory identification while on duty? This should include name badges, shoulder numbers, epaulettes, warrant cards and any other compulsory identification.

For each case, please provide the outcome and the year the case was recorded.

Please limit the scope of this request from 1st January 2021 to present.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Following searches conducted by a subject specialist, searching allegation summaries for the keywords: shoulder, identification, ID, I.D, collar, badge, warrant and epaulette, no conduct cases were identified.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
