Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0369

On 14/04/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

The number of cases in your force area wherein an elderly parent (classed as aged 65 and over) was killed by their child, in the following years:

2023

2024

2025

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

We were unable to electronically breakdown the data. However, we have manually reviewed the results. I can confirm there are a total of 2 cases relevant to your request due to the low number of cases we will not break this down by year to mitigate any risk of identification.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:

Call their helpline - 0303 123 1113
