Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0391

On 22/04/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

My Freedom of Information enquiry is in relation to illegal vape sales, whether these are underage sales or sales of non-UK compliant vape products.

Could you tell me please, how many closure orders of shops were sought by your force for illegal vape sales in the calendar year 2025?

How many of these orders were granted?

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary does not hold any relevant information.

Following searches, which all returned responses that no information is held, Gloucestershire Constabulary subject experts suggested that the matter of shop closures is managed by [Trading Standards](#). We would advise making contact with Trading Standards to pursue your query.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
