Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0403

On 27/04/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I was hoping you might be able to share some figures and commentary from your force on fuel thefts.

Please would you be able to share:

The number of making off without payment (MOWP) offences recorded so far this year

How many of those relate to petrol station fuel drive-offs?

Has there been an increase in these offences - particularly drive-offs - since fuel prices started to surge with the start of the war in Iran?

Any context or commentary you're able to provide alongside any numbers would be very useful.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies, and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

I can confirm that following a search for crimes recorded from 01/01/2026 to 05/05/2026 for the offence of Making Off Without Payment, there were 41 offences recorded within the requested timeframe, with 39 offences occurring at fuel stations.

With regards to the remainder of your request there is no recorded information that can be provided under the FOI Act.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
