Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0409

On 29/04/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

For the period 31 March 2021 to 31 March 2026, please provide:

- The total number of rape and sexual assault crimes involving a victim aged under 18 recorded including the tag 'Roblox' (or if there is no tag the most relevant way of searching to see if the crime is linked to Roblox).
- The gender and age of any victims - if unable to be specific then under 10, under 13, under 16, under 18, or 18+ is acceptable.

Please break these down by year, gender of victim, age of victim, and recorded outcome where possible

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies, and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.
