Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0493

On 21/05/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

The top five most commonly issued Fixed Penalty Notices (including the number of offences for each one) broken down by year, 2024, 2025 and 2026 to date for:

- 17-24 year olds (or to the nearest available age breakdown)
- 45-55 year olds (or to the nearest available age breakdown)
- all age groups (total)

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Please find the request break down of data overleaf:
