### **Gloucestershire Constabulary Freedom of Information request FOI\_26\_0519**

On 01/06/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am writing regarding a number of women publicly referred to in the article "How many more did they kill?" published by The Independent on 23 November 1995 in relation to the 1994-1995 investigation into Fred and Rose West and 25 Cromwell Street (<https://gbr01.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.independent.co.uk%2Fnews%2Fhow-many-more-did-they-kill-1583214.html&data=05%7C02%7CFreedom.Information%40gloucestershire.police.uk%7C13bb5580ad1f426234ce08debfe00ad1%7Cd4936c562d8640769ba6ea6bfd965203%7C0%7C0%7C639159166442023170%7CUnknown%7CTWFPbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUslIYiOilwLjAuMDAwMCIsIIAiOiJXaW4zMilslkFOljoITWFPbClslldUljoyfQ%3D%3D%7C0%7C%7C%7C&sdata=cAH9vpzfZ2erU7%2FWJjZoilpqv5soqE2C8dhyfz9grak%3D&reserved=0>).

For clarity, I have reproduced the descriptions exactly as published in the article:

- \* Marilyn, a white woman in her late 30s in 1973 and thought to have been a devout Christian.
- \* Donna Lynn Moore (or similar), described in 1973 as white, 13 or 14-years-old. The slim pretty girl spoke with an American accent and may have been the daughter of a US serviceman from East Anglia.
- \* Name not known, but police issued photograph of full-faced brunette with rosy lips, thought to have been taken when she visited in 1975.
- \* Maria Ann, a white woman in her early 20s in 1991. Had long blonde hair and may have been a student.

\* Mireeker or Marieka (or similar), a white woman in her late 20s in 1977-78, possibly from Holland.

\* Name not known, a white woman aged between 18 and 20 in 1978.

\* May have been called Ingrid, a white woman aged around 18 in 1978-79, possibly of German origin.

\* Marilyn, an 18 or 19-year-old with long blonde hair in 1973.

\* Name unknown, a white woman aged 17-20 in 1973 with blonde hair and a Swedish or Dutch accent.

The existence of these enquiries and the above descriptions were placed in the public domain by the article and are reproduced solely to identify the enquiries being referred to.

I am not requesting personal data, witness statements, investigative material, identities, or any information that would identify living individuals.

I request only the recorded outcome classifications of the enquiries referred to above. An aggregate response would fully satisfy this request.

Please provide an aggregate summary indicating how many of these enquiries were recorded as having been:

- \* Traced / located
- \* Identified and accounted for
- \* Eliminated from enquiries
- \* Remaining unresolved
- \* Other recorded outcome category

If it is possible to provide the recorded outcome category for each individual enquiry, I would welcome that further detail, but I am content for the request to be answered in aggregate form.

If no such aggregate summary is held, please confirm whether the enquiry recorded any final outcome, disposition, closure status, or similar classification for these enquiries.

I am requesting only recorded outcome classifications and not the underlying evidence, reasoning, or investigative material.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Following receipt of your request, one of Gloucestershire Constabulary's subject matter experts conducted a search and the information located is shared below.
