Calibration Certificate for manned equipment for speeding evaluation

Location - M5 Motorway, at bridge 70-20, Gloucestershire

Date - 03/06/2026

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary may hold some relevant information.

Section 17 of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states the fact, (b) specifies the exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

With regard to the disclosure of Calibration Certificate, the following exemption applies:

Section 40(2) Personal Information

Section 40(2) applies to third party personal data. This would not be released under the Freedom of Information Act unless there is a strong public interest. This exemption is absolute and class based therefore I am not required to apply either the public interest test or harm test in disclosure.
