Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0648

On 09/07/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please provide the data for each calendar month from January 2024 to the most recent month available.

Crime volumes

1. Please provide the total number of recorded crimes for each month.
2. Please provide a monthly breakdown of recorded crimes by offence category (or Home Office offence group if used by your force).

Suspect/offender age

3. Where recorded and disclosable, please provide a monthly breakdown of the age (or age band) of identified suspects/offenders associated with each offence category. If exact ages cannot be disclosed, age bands such as those below would be sufficient:

- Under 10
- 10–17
- 18–24
- 25–34
- 35–49
- 50–64
- 65+

Victim age (optional)

4. Where available, please provide a monthly breakdown of victim age bands for each offence category.

Seasonal information

5. If your force already holds any reports or summaries identifying seasonal trends in crime, particularly during the school summer holiday period, please provide copies of those reports.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search of Gloucestershire Constabulary's crime recording system has been conducted to extract the requested data.

Please note there is no information held in answer to Q5.

Please see the attached documents

- FOI_26_0648_Suspect Offender Age Group
- FOI_26_0648_Victim Age Group

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
