Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0720

On 29/07/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please provide the following data for each day during the period of the 2026 World Cup, June 11 2026, to July 19 2026, inclusive:

Daily Totals by Location: The total number of recorded domestic abuse incidents/crimes on each calendar day within the specified period, broken down by Community Safety Partnership (CSP) area (or Local Authority / Policing District if CSP is not readily available).

Force-Wide Daily Totals: If providing the daily breakdown by CSP/district would exceed the cost limit under Section 12 of the FOI Act, please provide the force-wide total for each individual calendar day within the period instead.

Please include all recorded domestic abuse incidents/crimes logged on those dates, regardless of whether "football," "World Cup," or a specific match was recorded as an aggravating or contributing factor.

If your force separately tracks or flags incidents specifically linked to football/match days, please provide that secondary count alongside the daily totals, if possible, within the cost limit.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Following receipt of your request, searches were conducted of both the Constabulary's crime recording and incident recording databases, for crimes and incidents recorded between 11/06/2026 and 19/06/2026 in which "domestic abuse" was tagged. The crime
