Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0721

On 29/07/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

The number of racially-motivated hate crimes or hate incidents towards ethnic groups reported to the service every day during May, June, and July 2026

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search has been conducted for all crimes recorded between 01/05/2026 and 31/07/2026 which has then been filtered by where a "Hate Crime" is present and where a tag of "Hate/Prejudice – Race" is present. The table overleaf shows the given data:
