On 11/08/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

please provide the following information regarding gender-neutral, unisex, all-gender, or mixed-sex toilet facilities across your force's operational estate:

Total Spend: The total financial spend (including refurbishment, construction, and signage costs) incurred over the last 24 months (or 2024/25, 2025/26, and 2026/27 to date) on creating, converting, or building gender-neutral, unisex, or all-gender toilet facilities.

Total Toilet Number: The total number of gender-neutral toilets opened/converted for the same timeframe.

Single-Sex Conversions: The total number of traditional single-sex male or female toilet blocks that were permanently converted or removed, for the same timeframe.

Station Breakdown: A breakdown of the spending and facility count by individual police station, HQ, or operational site name, but only if the cost limit has not already been reached by the previous two questions.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

Following consultation with the relevant business areas, we can confirm that during the requested time period, no funds have been spent on opening or converting toilet facilities.
