Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0799

On 21/08/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

For each calendar year from 2021 to 2025, please provide:

1. The total number of arrests for shoplifting/theft from a shop recorded by your force.
2. If readily available, the number of individuals arrested for shoplifting on more than one occasion during each calendar year.

Please provide the figures separately for each calendar year.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search was conducted for all authorised detentions from 01 Jan 2021 to 31 Dec 2025. Which have then been filtered so that results are only returned when Shoplifting has been applied to the detention. This gave the following results:

Offence	2021	2022	2023	2024	2025	Grand Total
Theft Shoplifting	278	298	326	371	400	1673

In regards to Part 2 of the query unfortunately there is no central register for this information and no way to retrieve the information by way of electronic searches. The Constabulary records arrests under specific reason for arrest codes and can only search against the specific codes. The only way of trying to determine whether any relevant information is held and to retrieve that information would be to manually review each arrest to see if the same suspect is named. This would involve the review of all 1673 and would therefore take far longer than the 18 hours prescribed by the Freedom of Information Act.

Please see below for suggestions on how you may be able to refine your request to come within the cost constraints of Section 12 of the Act.

Section 17(5) of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states the fact, (b) specifies the exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

In relation to your request Section 12 applies.

Section 12(1) – Fee Regulations states:

Section 1(1) of the Act does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. (As detailed in the Data Protection and Freedom of Information Fees Regulations of 2004)

The appropriate limit at the moment is £450 calculated at an hourly rate of £25 per hour for all staff time incurred in:

- i. Determining whether information is held
- ii. Locating it
- iii. Retrieving it
- iv. Extracting the information to be disclosed from the other information.

In accordance with the Act, this letter represents a Refusal Notice for your request.

Providing Information Outside of the Act

By way of assistance and although excess cost removes the Force's obligations under the Freedom of Information Act, we have supplied the information relevant to your request which has already been retrieved. We trust this is helpful but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

Section 16 – unable to assist

Unfortunately, I'm unable to assist in suggesting ways of refining your request to come within the confines of Section 12 of the Act. Even reducing the timescale would not reduce the number of records enough that a manual review could be conducted within the timescale but still provide meaningful information.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the

response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
