Following receipt of your request, a search was conducted of the Constabulary's crime recording database for all substantiated crimes between 01/01/2024 and 09/02/2026 where a residential burglary offence was recorded. Please note, due to a change in our recording systems, presently, we can only provide information about the number of items stolen, and their value (where these fields have been recorded), up until 09/02/2026. Please note that a request for an internal review must be made within 20 working days of the response to your original request.
