Dear

Gloucestershire Constabulary Freedom of Information request 26_0810

On 25/08/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

For each calendar year 2023, 2024, 2025 and 2026 to the date of this email (25th August), please provide:

1. The number of warnings issued under Section 59 of the Police Reform Act 2002.
2. The number of vehicles seized under Section 59 of the Police Reform Act 2002.
3. For the 10 most recent vehicles seized under Section 59, please provide:
 - i. date of seizure;
 - ii. make and model of vehicle;
 - iii. a brief description of the circumstances/reason for the seizure, as recorded.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we

endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

To answer part 1 and 2 of the query a search was conducted for all Section 59 warnings and seizures from 01/01/2023 till 25/08/2026. This gave the following data:

Year	Warnings	Seizures
2023	165	14
2024	213	14
2025	208	24
2026	12	9
Total	598	61

Section 17 of the Freedom of Information Act 2000 requires Gloucestershire Constabulary, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states the fact, (b) specifies the exemption in question and (c) states (if not otherwise apparent) why the exemption applies.

With regard to the disclosure of part 3 of the query, the following exemption applies:

Section 40(2) Personal Information

Section 40(2) applies to third party personal data. This would not be released under the Freedom of Information Act unless there is a strong public interest. The disclosure of any information which could lead to the identification of an individual would breach the Data Protection Principles contained within the Data Protection Act 2018, namely the first principle which states that personal data shall be processed lawfully, fairly and in a transparent manner in relation to individuals

This exemption is absolute and class based therefore I am not required to apply either the public interest test or harm test in disclosure.

In accordance with the Act, this letter represents a Refusal Notice for this part of your request.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.
