Dear

**Gloucestershire Constabulary Freedom of Information request FOI\_26\_0811**

On 25/08/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

For each calendar year 2023, 2024, 2025 and 2026 to date, please provide the number of recorded robbery offences in which property recorded as stolen included a wristwatch/watch with a recorded value of:

- a) £5,000–£9,999
- b) £10,000–£24,999
- c) £25,000–£49,999
- d) £50,000 or more.

For each of the above years, please also provide the combined recorded value of the watches stolen in these robbery offences.

For the 10 most recent robbery offences during this period in which a watch valued at £50,000 or more was recorded as stolen, please provide, where recorded:

- 1. The make and model of the watch.
- 2. The recorded value of the watch.
- 3. The colour of the watch.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

A search of the Crime Recording System has been conducted to search for all substantiated crimes recorded between 01/01/2023 and 31/08/2026. A filter has then been applied to identify the records where a property item of “watch” has been recorded as either Stolen or Recovered.

This has returned 44 records. A manual review of those records has then been carried out to determine if the value has been recorded. Please note that there is no mandatory requirement to record the value of property.

None of the 44 records have a value recorded, therefore the appropriate response to your request is no information held.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
