Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0813

On 26/08/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please provide the following for the financial year 2025-26 (1 April 2025 to 31 March 2026):

1. The total amount your force invoiced football clubs for policing at their grounds, and the total amount actually received.
2. A breakdown by individual football club within your force area.

This covers special police services provided under section 25 of the Police Act 1996.

A spreadsheet is fine. If your force area contains no football clubs a short confirmation to that effect is all I need.

Note: My definition of "football clubs" is all teams in the top 5 tiers of the football pyramid – The Premier League, The Championship, Leagues One and Two, and the National League)

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Gloucestershire Constabulary raised one invoice in the 2025-6 financial year. The invoice was made to Cheltenham Town Football Club for £4010.22. The amount received was £4010.22.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
