Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0844

On 08/09/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please provide the following information for each calendar year from 2019 to 2025 inclusive:

- 1) The number of recorded voyeurism offences recorded by Gloucestershire Constabulary in each year.
- 2) Of the voyeurism offences identified in Question 1, the number that involved a person being recorded or filmed without their consent, where this can be identified from your records.

Please provide the information broken down by individual year.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

A search of the Crime Recording System has been conducted to identify all substantiated crimes recorded between 01/01/2019 and 31/12/2025 where the offence is 088/10 – Voyeurism. The table below shows the total number of records, broken down by year.

Please be advised that one the points prove that an offence has been committed is that consent has not been obtained, therefore all of the results below apply for both Q1 and Q2.

Year	Total
2019	18
2020	19
2021	32
2022	20
2023	38
2024	34
2025	45
Total	206

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
