Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0863

On 11/09/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am writing to request information under the Freedom of Information Act 2000.

I would like to request

- the total number of registered sex offenders managed by your police force. (Currently, not of all time).
 - the total number of registered sex offenders that are covered by your force who are recorded as having a name or alias change. (Currently, not of all time).
- I would be incredibly surprised if you do not have all the information which I require in an easily retrievable format, and so this will not impact sec 12 of the FOIA.

I have contacted you previously but due to different police forces collating data in different ways I am now requesting just these two pieces of information, I have asked these questions as part of a professional organisation and in a professional tone, and so this is not a vexatious request.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Following receipt of your request, a subject matter expert (SME) conducted searches for any relevant and recorded information to respond to your questions. I can confirm their response below:

1. Currently, 1078 nominals are managed within Gloucestershire, which includes nominals in custody or residing abroad.
2. Of the 1078 a total of 61 have, at some point, notified a change of name.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
