Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0975

On 14/10/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am writing to request a copy of the original specification, statement of requirements, statement of works, or equivalent document issued to bidders as part of the procurement of your CAD, ICCS and Control Room System.

For clarity, I am not requesting all tender or procurement documentation. I am seeking only the document (or documents, if the requirement was split across more than one document) which set out the authority's functional, technical and operational requirements for the system being procured.

If this information is not held, please confirm this under section 1(1)(a) of the Freedom of Information Act 2000.

Where recorded information is held showing that the requested document was previously held but has since been destroyed or deleted, please also provide:

• the date of destruction/deletion, if recorded; and
• the records-retention or disposal policy/schedule under which it was destroyed.

If the procurement was conducted on the authority's behalf by another public authority, procurement body or organisation and recorded information identifying that body is held, please identify the relevant body.

Electronic copies are preferred, and your support in providing this information would be much appreciated.

We are committed to being an anti-discriminatory organisation. This means not only acting in a non-discriminatory way, but addressing systemic inequalities, disadvantage and discrimination.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

Upon reaching out to the relevant business areas, I can confirm that no information is held.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
