Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_1002

On 21/10/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I would like to make an FOI request as follows:

Inspecting your RoPA only, please let me know how many international data transfers have been made by you or with your permission from the UK to Pakistan (I am asking you to look at the RoPA, not to give me details of restricted transfers, but those that are integral to the way in which you provide your services) where the data involved criminal data.

I would just like a number and a breakdown of the transfer mechanisms (such as SCCs, etc).

If you don't have a RoPA, it would be handy for you confirm this.

We are committed to being an anti-discriminatory organisation. This means not only acting in a non-discriminatory way, but addressing systemic inequalities, disadvantage and discrimination.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

No information held.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
