Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_1112

On 19/11/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I am seeking information about police vehicles and Pride. I am seeking information as it stands on November 19 2026.

I would like to know: (1a) the total number of your vehicles which feature Pride branding or symbols; (1b) how many of your vehicles feature Pride branding or symbols, broken down by the vehicle involved (e.g. Ford Focus - 1; Vauxhall Astra - 7); (2) the total spend on Pride-themed paint jobs in 2026 to date; and (3) the total spend on Pride-themed paint jobs in each year since 2016.

For the avoidance of doubt, Pride means the word "Pride", the rainbow Pride flag, the Progress Pride flag, and symbols or slogans linked to the LGB, LGBT, LGBTQ, LGBTQ+ or related communities.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Following receipt of your request, a subject matter expert (SME) conducted a search for the relevant and recorded information needed to answer your questions. I can confirm the Gloucestershire Constabulary has 0 vehicles matching the description in your request and the answer to the remainder of your questions is no information held.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information
