Dear

Gloucestershire Constabulary Freedom of Information request FOI_26_0830

On 03/09/2026 you sent an email constituting a request under the Freedom of Information Act asking the following:

I request the number of speeding offences committed on the A46 between Stroud and Painswick, during the period of August 2025 and August 2026., sorted by month

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds some relevant information.

Police Forces in the United Kingdom are routinely required to provide statistics to government bodies, and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons the figures given relate to information from the specific recording system of Gloucestershire Constabulary and should not be used for comparison purposes with any other response you receive.

Please note that our systems are designed to record information for policing purposes and the investigation of crime and not to extract statistical information. Accordingly, whilst we endeavour to extract relevant data within the time limits of the Act, any data supplied is subject to these limitations.

Please see the response to your request below.

In relation to 2025, Speeding Offences were identified in the months of November and December. For the avoidance of doubt, this does not mean speed enforcement was not undertaken during other months of 2025, the data provided is the months where speeding offences have been identified.

Month	Speeding Offences Identified	2025 Speeding Offences
November	21	
December	85	

Month	Speeding Offences Identified	2026 Speeding Offences
January	57	
February	21	
March	91	
April	7	
May	43	
June	87	
July	96	
August	102	

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
